1959 HILLMAN best!

Experts rate the POPULAR SCIENCE: "In the opinion of the writer, the Hillman - at the price - probably is the best buy among the more popular cars selling under \$2000." MOTOR TREND: "Excellent choice as a small car for the one-car family. More power, sturdier engine... cruises easily at highway speeds. Even six-footers can find leg room to ride comfortably. Service and parts readily available." Five models - 4-door sedans, convertible, 2- and 4-door station wagons.

Hawaii Display To Open July 1

As a gesture of welcome to the "50th State of the Union," a Hawaiian Exhibit will be on display in lobbies of Southwest Savings Torrance and Inglewood branches July 1 through July 10.

Purpose of the collection is to impart a better understanding of the life, habits and customs of our newest Americans. Among the objects shown will be authentic articles of apparel, implements, leis, jewelry, tapa cloth, shells, ornaments, featherwork, and mats.

Bill Piercy Re-elected By Union

Bill Piercy, Jr., of 1731 Fern Ave. has been re-elected to the ILWU International Executive Board, it was announced today. William H. Lawrence, of San Pedro, was the second man named in a four-man race for the two places on the Board.

Piercy's local, one of the smallest in the ILWU with some 600 men, takes in all the clerks and supervisors in the Los Angeles-Long Beach harbors. At the present time Piercy is engaged in negotiations with the Pacific Maritime Association in San Francisco.

Doctor Yeh Joins Ramo Research Lab

Dr. Gordon Chien-Kuan Yeh, of 21305 Ocean Ave., former staff scientist at Reed Research, Inc. Washington, D. C., has joined the research laboratory of the Ramo-Wooldrige Division of Thompson Ramo Wooldrige Inc.

Dr. Yeh has conducted analytical research in the fields of applied mechanics, applied mathematics, mathematical physics, and mathematical biophysics at the Reed Research Inc. and the Reed Research Foundation. He has been a reviewer for the Applied Mechanics Reviews since 1951, and is the author of numerous technical papers.

Dr. Yeh received the B.Sc. degree in aeronautical engineering in 1945 from the National Central University, China, then attended Stanford University, receiving the M.Sc. degree in engineering mechanics in 1948. In 1949 he received the Sc.M. degree in applied mechanics while a Gordon McKay Scholar at Harvard University; and in 1951, as a Gordon McKay Fellow at Harvard, he received the Sc.D. degree in applied mechanics. He was a research assistant, and later a teaching assistant at Harvard University.

Dr. Yeh is a member of Sigma XI, honorary society, associate member of the American Society of Mechanical Engineers, charter member of the Biophysical Society, and a registered Professional Engineer in the District of Columbia.

CHEESE STATE

Wisconsin has more cheese factories than any other of the states, and for a number of years has ranked first as the leading cheese-producing center of the United States.

VAN SEZ:

Do you know that the University of Bologna, in Italy, is the oldest university in existence? It was founded in 425 A.D. The newest thing in window screens is Flyweight and Champ by the oldest company, Columbia-Matic. This is the season of flies and bugs. Flyweight screens are easy to install, tight-fitting and beautiful. Only Columbia-Matic has automatic tension. Inquire of them at Van's-call today.
